For those who would like to join the school. We would be able to add an early class on THURSDAY from 15:20 to 16:00. If you are interested send an email and as soon there are 10 students we can set this class. This class would mainly work on creative dance and a performance at the end of the year.

PERFORMANCES

We will work to present the performance piece at least once a year. We are also aiming to gain collaboration and for those who want we will do our best to have more opportunities to be on stage.

SUMMER WORKSHOP

During the month of August we are able to organise individual workshops every week outdoors. You can choose what dates to come and if we can gather a minimum of 10 people, we can move forward

VIDEO - DANCE

We would like to set up a YouTube channel to post the video-dance work created during the school program or the summer workshops. We will require a parent consent and we will always show the video first to the families before going public.
